Poštovani!

Sa posebnim zadovoljstvom izvješćujem Vas da će se **14. ZGREB RADIO FEST održati 07. i 08. rujna 2012. godine u Zagrebu, ispred Doma Tehnike na jezeru Jarun.** Prilika je to da se ponovo tradicionalno okupimo uz jezero Jarun uz prigodan program namijenjen prvenstveno radioamaterima i zaljubljenicima u elektrotehniku. Bila bi nam želja da i Vaš nacionalni radioamaterski savez prezentira svoju djelatnost i dostignuća radioamatera Vaše zemlje. Nudimo Vam prigodno uređen besplatni zatvoreni izložbeni prostor. Svakako nismo izostavili i mogućnost da radioamateri osobno prodaju, kupuju ili razmjenjuju radioamatersku opremu pa smo pripremili veliki natkriveni prostor za odvijanje ovih aktivnosti. Molim Vas da o tome izvijestite svoje radioamaterske klubove i njihove članove.

Molimo da svoje prijave dostavite putem E-mail-a, najkasnije do 16. kolovoza, na adresu: zagrebacki.radioamaterski.savez@zg.t-com.hr, a sve ostale informacije o dolasku i programu održavanju sajma možete pronaći na web stranicama ZRF-a, <http://zrf.zars.hr/>

Očekujemo Vas na 14. ZAGREB RADIO FESTU

Dobro nam došli!

**ZAGREB AMATEUR RADIO COUNCIL
ZAGREB RADIO FEST
10000 Z A G R E B
Buliceva 14**

Dear Colleagues,

It is my special pleasure to inform you that the **14th ZAGREB RADIO FEST** will be held in Zagreb on 7th and 8th September 2012 in front of the "Dom Tehnika" at Lake Jarun.

This will be an opportunity to again have our traditional gathering next to Lake Jarun with an outstanding program designed primarily for amateur radio and electronics technology enthusiasts.

This year's ZRF will be even richer with the presence of national councils that until now have not had the chance to participate in the exhibition and of several new companies that offer amateur radio equipment.

Since we would also like your national council to present your activities and the achievements of amateur radio enthusiasts in your country, we are pleased to be able to offer you exhibit space free of charge.

Of course, we are not forgetting that amateur radio operators will want to sell, buy and exchange amateur radio equipment, so we have also prepared a large covered area for these activities. Please inform you amateur radio clubs and their members. It is advisable to reserve a sales space in advance. You may do this by sending an e-mail to: zagrebacki.radioamaterski.savez@zg.t-com.hr, no later than 16th August 2012.

We have arranged accommodation for all ZRF guests at the hostel «Remetinec» at Laniste, Remetinecki gaj 28. This hostel is located near Jarun Lake and the best way to reach it is by car. As previously arranged, we have provided accommodation in single or double rooms + breakfast for two representatives of the official delegation of national amateur radio associations. Costs of the accommodation at the hostel shall be borne by the promoter of ZRF.

You may also submit your registration for the ZRF to the above e-mail address. For all other information please contact Krunoslav Horvatic by telephone at: +385 1 46 14 303.

All information on arrivals and the program of the 14th ZRF is available on our web page <http://zrf.zars.hr/>.

We look forward to seeing you at the 14th ZAGREB RADIO FEST

Welcome!
